

2023 FutureTalk Challenge for Taiwan High School Students- Announcement & General Rules

全國高中生英語口說比賽-簡章

一、活動目的 Objectives

臺美交流在過去 40 年持續發展，透過美國在台協會，雙方不論在經濟、貿易、教育、文化等各方面持續強化交流與合作關係。

國立中山大學於 1999 年與美國在台協會合作，設立臺灣唯一一個中山美國中心，其任務為增加南臺灣地區與美國的瞭解及互動。成立以來透過多方面合作進行交流，包含大型演講、文化活動、研討會、展覽及留美講座，讓學生與社會大眾更佳瞭解美國文化、商業、教育及價值觀等。

本校自 2013 年起與美國在台協會合作辦理英語演講比賽，推動雙方文化交流並提升本地學生英語能力。2023 年希望透過新的形式鼓勵學生活用英語、訓練表達能力與台風，訂定之主題也期許學生展現創新思維，以持續推動臺美雙方交流及永續發展。

The mutual exchange between Taiwan and the United States has developed continuously over the past 40 years. Through the American Institute in Taiwan (AIT), both countries have cooperated in various aspects such as economy, trade, education, and culture.

In 1999, National Sun Yat-sen University (NSYSU) and AIT collaborated to establish the only American Center in Taiwan. Its mission is to enhance the mutual understanding between southern Taiwan and the United States. Since its inception, the Sun Yat-sen America Center (SYSAC) has provided students and the general public opportunities to learn about American culture, business, education, and values through activities such as speeches, cultural events, seminars, and exhibitions.

Since 2013, NSYSU and AIT have been hosting English speech contests annually for the enhancement and improvement of students' English oral proficiency and, at the same time, facilitating cultural exchanges between Taiwan and the U.S. This year, the competition will be in English presentation for students to express their ideas about the Future, hence, FutureTalk. Students are expected to express their innovative ideas on the themes as part of the interaction and sustainable development between Taiwan and the United States.
